

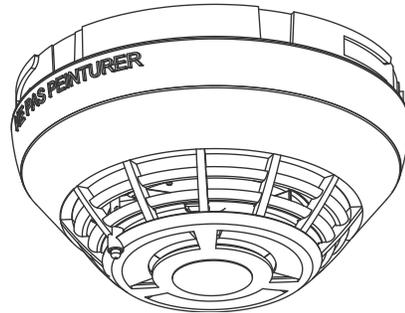

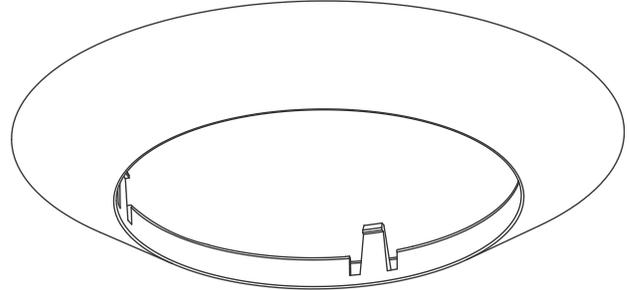

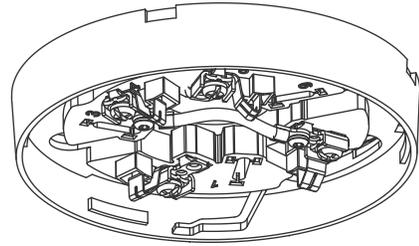

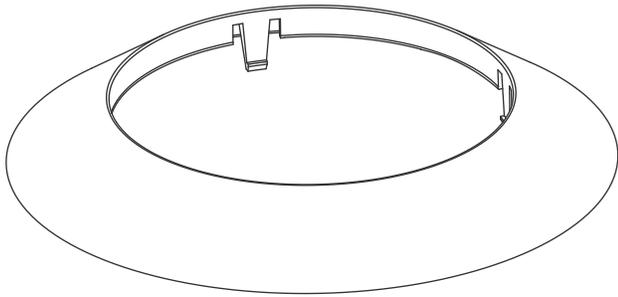

Figure 1: Trim skirt installation

Detector Base Trim Skirt Installation Sheet

Description

Trim skirts attach to detector bases to provide a more finished appearance.

Table 1: Models

Model	Description
SIGA-TS4	Trim skirt, white
TS4B	Trim skirt, black

Installation

1. Mount the base to the electrical box. Refer to the installation sheet provided with the base.
2. Align the tabs on the trim skirt with the notches on the base.
3. Push the trim skirt onto the base until it snaps into position.
4. Install the detector in its base. Refer to the Installation Sheet provided with the detector.
